

We are proud to announce that we have Legendary Drag Racer Justin Swanstorm from Street Outlaws will be in the VIP lounge at Lanier Raceway for the first NOPI Regional show in 2025. Justin is well known for his Lexus drag car winning multiple rounds in the hit TV show. You can check him out at <https://justinswanstromracing.com/>.

We are also proud to announce that we have OG Chuck Seitsinger from Street Outlaws in the VIP lounge as well. Chuck is an old school NDRA (NOPI Drag Racing Series) drag racer making his mark in a Honda Civic Hatch. He went on to being a dominating force on the hit TV show as well, with the legendary “Death Trap”. Check him out at <https://chuckseitsingerracing.com/>.

We are proud to have these two along with Chris Anderson from Anderson Audio, and Anderson Racing Development in the VIP lounge. Chris is a legend in the automotive aftermarket industry and has many builds under his belt. He was also part of the NDRA drag racing series, where he quickly made a name for himself. We will have other industry leaders and mentors in the building to talk about the future and return of the NDRA drag racing series. You want to be a part of this action. We will have a roundtable discussion of what’s going to come.
